# About the Event

*Not Just a Celebration—A Call to Action*

## ☆ The Lincoln Reagan Dinner

The Lincoln Reagan Dinner is not merely a celebration—it is a **call to action**. We gather united by a singular purpose: to **flip seats, turn Hays County decisively red**, and reclaim the future for conservative values.

Our theme, "*Founding Promises, Future Hopes*," is not just a slogan—it is our mission. For 250 years, Americans have fought to preserve the sacred promises of liberty, limited government, and individual freedom. **The trajectory we've been on must change, and we are the ones who will change it.**

**Here is the truth:** Republican registered voters outnumber Democrats in Hays County. We have the numbers. What we need now is **the will to act**. Every door knocked, every voter registered, every neighbor persuaded brings us closer to victory.

## 🏆 2026: Our Moment to Win

Join us for an evening that will ignite the movement, featuring **Kevin Sorbo**—one of Hollywood's most outspoken voices for faith, family, and conservative values—as our keynote speaker.

**This is our moment to step up** and prove that our majority is not silent—it is unstoppable. Our children and grandchildren are counting on us to preserve the founding promises that made this nation great.

*"Freedom is never more than one generation away from extinction."*

**That generation is now.**

— Ronald Reagan

**The time for hoping is over. The time for action is now.**
